

BACKGROUND CHECKS

LICENSED PROFESSIONAL INVESTIGATORS

### **PRE-EMPLOYMENT BACKGROUND CHECKS**

Castle Security Group has provided screening services for companies located throughout Maryland and the United States. These services have enabled our many clients to make informed decisions about prospective candidates and helped them to avoid hiring problem employees.

These services may include any or all of the following:

- prior criminal convictions on the federal and state level
- workers' compensation claim history
- credit history
- prior employment
- personal references
- driving history (three years)
- identity verification
- verification of education
- sex offenders database
